Dear Mr. Culberson:

Dan Coats for Indiana ("the Committee", FEC ID# C00476374) is in receipt of your Request for Additional Information dated January 23, 2014, in which you reference the aggregate limits for certain contributors disclosed on the Committee's 2013 October quarterly FEC report. We have reviewed our records regarding all of these receipts. We have the following comments in response to your letter.

1. Contribution from John R. Hammond III

The Committee has issued a refund check on February 17, 2014 in the amount of \$ 400 to Mr. John R. Hammond III, and will disclose this refund on its 2014 April quarterly FEC report.

2. Contribution from American Electric Power PAC

The Committee issued a refund check on October 18, 2013 in the amount of \$1,000 to the American Electric Power PAC (a copy is enclosed). However, the date of the refund was inadvertently reported as November 1, 2013 on the Committee's 2013 year-end report. We are amending our 2013 year-end report to reflect that the refund to the American Electric Power PAC was issued timely on October 18, 2013. A copy of our amendment is enclosed.

3. Contribution from FLIR Systems, Inc. Employee PAC

On October 21, 2013, FLIR Systems Inc. Employee PAC timely redesignated \$ 500 to the general election from the donation of \$2,000 on September 18, 2013. Thus, there is no excessive donation with respect to this donor. The Committee is amending its 2013 year-end FEC report to reflect the redesignation, and a copy of our amendment is enclosed.
